

Logan Cameron

UX Designer

01 Experience

2017-Present

UX Designer | Speedhut Inc.

As Speedhut's UX designer, I have helped improve their customizer tool web app, created pages for new gauge lines, and designed installation instructions for the products.

2016-2017

Graphic Designer | Speedhut Inc.

As the graphic designer for Speedhut, I created custom dial designs for customers, managed the art department, and communicated directly with customers.

02 Education

2015-2019

Interaction Design | Utah Valley University

03 Skills

User Experience Design Graphic Design

Prototyping Creative Problem Solving

Fluent in French Effective Communicator
